

Campus Visitors

SCC encourages appropriate use of its facilities by citizens of the area in accordance with the purpose and policies of the institution. The president or his/her designee is authorized to identify any or all areas of the campus as open only to enrolled students, employees, and guests. Guests may include prospective students visiting the campus, persons attending authorized meetings, and persons using other services of the college.

The president or his/her designee is authorized to ban from campus any student or non-student who may be deemed undesirable or whose presence or actions may be inappropriate at a particular place or event. ([Policy 2.01](#)) ([Procedure 2.01.01](#))
