

Licensure And Certifications

A significant number of occupations in North Carolina require licensure and/or certification as a prerequisite to employment. Licensure and certifications are granted by an independent agency or board. For many of these occupations, the educational requirement consists of short term workforce continuing education courses offered at SCC.

Courses offerings include, but are not limited to, the following:

- Manufacturing Technician
- NC EPA
- NC Escort Vehicle Operator
- NC Vehicle Safety Inspection
- Bus Driver Training
- OSHA
- Forklift Operator Training
