

Early Childhood Education – Intro to Early Childhood Education (C55220CH)

Degree Type

CTE Certificate

Credential Number

C55220CH

The Early Childhood Education - Intro to Early Childhood Education curriculum introduces individuals to the foundations of the education profession; diverse educational settings for young children; professionalism and planning developmentally appropriate programs for children; and the theories and regulations of early childhood education.

Course work includes an introduction to the foundations in early childhood education; evidence- based strategies to build nurturing relationships with children; planning, creating and adapting developmentally supportive learning environments; and other related topics.

Graduates should be prepared to design a career/professional development plan, appropriate environments, schedules, and activity plans.

Employment opportunities include entry-level employment in child development and child care programs, preschools, public and private schools, recreational centers, Head Start Programs, and other preschool programs.
