

Application Procedure

1. Students should obtain a "Work-Based Learning Application" form from their advisors or WBL coordinator and make an appointment to review the completed application, along with a current resume and college transcript
2. The advisors or WBL coordinator will conduct an in-depth interview with students regarding career interests and possible work assignments.
3. The advisor or WBL coordinator will work with them to locate appropriate training positions and to complete appropriate documentation.

For further information, students should contact any division dean/director or the WBL coordinator.
