

# Campus Visitors Rules

SCC encourages appropriate use of its facilities by citizens of the area in accordance with the purpose and policies of the institution. The college president has authorized appropriate college officials to restrict or ban any student or non-student from the campus whose presence or actions may be inappropriate at a particular place or event.

## DRUGS AND ALCOHOL POLICY

The drug and alcohol policy of the college is required by the Drug-Free Workplace Act. The act requires that agencies receiving federal grants certify that they are providing a drug-free workplace. The use of drugs or alcohol may impair the well-being of employees, students, and the public at large; drug and alcohol use may also result in damage to college property. Therefore, the unlawful manufacture, distribution, dispensation, possession, use, or being under the influence of a controlled substance or alcohol is prohibited while in the workplace, on college premises, or as part of any college-sponsored activities.

Any employee or student violating this policy is subject to disciplinary action up to and including referral for prosecution, expulsion, or termination. This policy applies to both students and college employees. ([Policy 2.04](#))
