

Workforce and Continuing Education Objectives

SCC plays an active role in the continuing education/life-long learning of the citizens of Columbus County. The College provides a broad range of educational/training programs offering students an opportunity to further their education, to improve their individual efficiency, to upgrade and improve job-related skills, to prepare for future employment, to enrich their cultural lives, and to help make them more effective members of their community.

Whether you are looking for a new career, brushing up on your current skills, or just learning for enjoyment, SCC's Workforce Continuing Education training programs and services can help you gain the new skills you need in an easy, affordable way.
