

General Expectations

Either inside the classroom or in any activities on campus or in other facilities where the college carries out classes or activities, students should observe the following:

1. Students should have food or drink only in appropriate locations. Food and drink are not permitted in classrooms, labs, or the auditorium.
2. Students should treat each other and all college personnel with respect in all interactions.
3. On-campus Basic Skills students must abide by the rules stated in their signed agreement form entitled, "SCC Basic Skills Program On-Campus Rules," in addition to the expectations stated in this section and the section above.
4. Students must abide by all policies and procedures governing their behavior in the Policies and Procedures, the Student Handbook, and in the Catalog.
