

Identification Cards

All Workforce Continuing Education Nurse Aide and Pharmacy Tech students must obtain SCC photo identification (ID) cards. Cards are issued in the Nesmith Student Center. Students must present a valid driver's license or state-issued ID card and their class schedule at the time the ID card is made.

The student ID card is valid for one academic year ending in August of each year. SCC ID cards must be displayed visibly on the outer clothing at all times while on campus, and under no circumstances should they be altered or lent to another person. The card may be required for identification or participation in various student activities or events. The ID card also serves as a library card for curriculum students. Persons who do not have and/or display proper identification may be subject to disciplinary sanctions and/or asked to leave campus. Temporary ID cards will be issued to students and staff at the switchboard in the A-Building lobby. Repetitive issuance of ID cards will be monitored and addressed as needed. Lost ID cards must be replaced and a fee of \$5.00 is charged for each duplicate card. Students will need to pay the fee at the Business Office and bring the receipt to the Nesmith Student Center in order to have their ID card replaced.

All on-campus Basic Skills students must obtain an SCC Basic Skills identification (ID) card issued in the Basic Skills Lab. The ID cards must be displayed visibly on the outer clothing at all times while on campus, and under no circumstances should they be altered or lent to another person. The card may be required for identification or participation in various student activities or events. Persons who do not have and/or display proper student identification may be subject to disciplinary sanctions and/or asked to leave campus. Lost ID cards must be replaced by an instructor in the Basic Skills Lab.
