

Interim Measures

Once the college is made aware of a complaint, steps will be taken to ensure equal access to educational programs and activities for the victim and the respondent. Options that may be presented include, but are not limited to:

- Avoiding contact
- Rearrangement of class schedules/extracurricular activities
- Assessing resources: victim advocacy, academic support, counseling
- Use of disability services, health and mental services
- Reassignment
- Legal assistance
- Right to report a crime to campus/local law enforcement
