

Parking and Driving

Student vehicles are not allowed in parking spaces reserved for visitors. Vehicles that are double-parked, parked on the grass, blocking a driveway, parked over the designated parking lines, or disrupting an orderly flow of traffic are subject to a fine and may be towed away at owner's expense.

Regulations

The following regulations constitute SCC's traffic code and are applicable to students, all members of the faculty and staff, and any other persons operating a motor vehicle on college-owned property. These regulations are in effect and enforced at all times.

1. The college reserves the right to regulate the use of any and all of its vehicle-parking facilities, including
 - denying vehicle-parking privileges to any individual and/or groups of individuals.
 - reserving vehicle-parking facilities for the exclusive use of selected and designated individuals and/or groups.
2. The responsibility for locating legal parking spaces rests with operators of motor vehicles. Lack of parking space is not considered a valid excuse for violating any parking regulation.

All regulations embodied in the General Statutes of North Carolina governing and regulating vehicular traffic are applicable to and are enforced on the college campus. In addition, the following regulations, which are unique to this institution, are enforced:

1. Vehicles may not be parked in "No Parking" zones at any time.
2. The maximum speed limit on all campus streets is 20 miles per hour unless otherwise posted.
3. Movement of traffic along the campus streets must not be obstructed by vehicles stopping in the streets or in parking lots for any purpose other than parking.
4. Driving or parking on lawns or other areas of the campus where streets and/or parking lots are not provided is prohibited.
5. Pedestrians are given the right-of-way at all crosswalks.
6. All accidents involving motor vehicles that occur on college property must be reported immediately to campus police or campus security.
7. Vehicles illegally parked or abandoned on campus will be towed away and placed in commercial storage. Towing and storage charges are the responsibility of the vehicle owner.
8. Parking on or over lines used to separate parking spaces is a violation.
9. Individuals with repeated violations may be banned from driving or parking on campus.
