

President's Message

Welcome to SCC and congratulations, you have made the first step to a future of endless possibilities.

Our goal at SCC is to serve you to maximize the alignment of education and training to meet the immediate needs of local business and industry so people of all ages will have the opportunity to prosper.

Whether you are looking to enter college for transfer opportunity, complete coursework specific training or looking to start a new career, SCC stands ready to assist you with the education and training you will need to be successful in the workforce.

We hope as you navigate the website, you find answers to the questions you may have about the college, programs, and community support.

A wide scope of student supports services is available to you throughout the college. [Academic and personal counseling](#), [financial aid advising](#), [tutoring services](#), and many other

services are available for students to help ensure our success at SCC.

SCC has a long, rich history in Columbus County and throughout the southeast region. The amazing work that has been accomplished by visionary leadership is evident in our community and here at the college. Regardless of your educational goals, Southeastern Community College is prepared to assist you.

I hope that as you watch new programming unfold at the college, that you too will choose to be a part of that rich history and make Southeastern Community College your first choice for educational obtainment.

By succeeding together, we can continue to build a brighter future for the region.

Sincerely,

Dr. Chris English
President
